Here's a Win-Win Proposition

Introducing
The
Charitable Gift Annuity
"Double My CD Return"

Win-Win Proposition

The Charitable Gift Annuity is a perfect example of how our tax laws continue to provide special ways for you to accomplish two objectives with one asset. In fact, a close look at the Gift Annuity reveals a true win-win proposition.

The Gift Annuity makes it possible for you to receive high returns on an asset for the rest of your life. (See the illustration of sample rates on the outside panel.) This only tells half the story.

Here's How A CGA Works

A Gift Annuity is a contract. Payments are backed by all the assets of the charity. Therefore, you can be confident that the Gift Annuity will provide a reliable income.

In addition, two tax benefits add value to the Gift Annuity. First, you will

The Gift Annuity ultimately results in a charitable contribution. So, while you can take steps to secure a high annuity payment for the rest of your life, you can also realize philanthropic goals.

It is simple. We will send you a Charitable Gift Annuity Agreement in exchange for your contribution (check, stocks or bonds). Each year for the rest of your life we will mail payments to you. Or, if you prefer, the agreement can run for the lives of you and your spouse.

receive a current income tax deduction—something you will appreciate when you file this year's tax return. Second, part of each annuity payment we make to you may be tax-free!

The illustration shows how the agreement works. Once established, income payments are made for life. Annuity rates (the rate for income payments made to you) are based on age and are higher for more senior persons.

With the benefits of high payment rates, reduced taxes, and an ultimate gift to charity, it is easy to see why so many friends consider the Gift Annuity to be the ultimate win-win proposition!
